

Challara holds successful inspection day

CHALLARA Merino and Poll Merino stud, Badgingarra, held a successful on-property inspection day on Monday.

On display were this year's sale team, as well as a line-up of stud ewes and the \$25,500 Leahcim Poll Merino ram, Stretch, bought by the Challara principals Ron,

Deanna and Peter Wilkinson two years ago.

A feature of the day was talks given by Challara classer Jim Watts on the benefits of SRS wool and breeding for a plain body, easy care Merino. Challara's on-property sale will be held on Thursday, September 11.
